

INTERDESIGN 2014 - Timișoara

INTERNATIONAL DESIGN SYMPOSIUM

Participation Rules

We are honored to invite you at INTERDESIGN 2014 - Timișoara International Symposium. The 21 century starts as a new high-tech era, in which the designers are in the front line. The goal of the first edition of INTERDESIGN is to gather a select group of European designers and their design projects, in Timișoara.

The symposium will consist of a series of design exhibitions and lectures given by international guests. The art works submitted will be judged by a jury of specialists and the selected ones will be displayed on the exhibition organized at the Faculty of Arts and Design in Timișoara.

It is very important that the participants sign the application form and declare that all their submitted art works are entirely original. The organizers will not use the art works submitted in any other way except for the Symposium. The copyright belongs to the author.

There are four sections, and you are invited to send your art works according to these categories:

I Category - Product design. Include any project, from concept sketches to final renderings. Each participant can submit a maximum of 3 digital files. Each file should have the layout as a presentation board, pdf or jpg format, minimum 150 dpi, size 100x70 cm. The digital file will be printed and professionally displayed by the organizers. The following information must be written on the lower right corner: INTERDESIGN, your full name, institution/company, city and country.

II Category - Interior design. Include projects, from concept sketches to final product. Each participant can submit a maximum of 3 digital files. Each file should have the layout as a presentation board, pdf or jpg format, minimum 150 dpi, size 100x70 cm. The digital file will be printed and professionally displayed by the organizers. The following information must be written on the lower right corner: INTERDESIGN, your full name, institution/company, city and country

III Category - Jewelry design. Include representation, such as renderings or high-resolution photography. Each participant can submit a maximum of 3 digital files. Each file should have the layout as a presentation board, pdf or jpg format, minimum 150 dpi, size 100x70 cm. The digital file will be printed and professionally

displayed by the organizers. The following information must be written on the lower right corner: INTERDESIGN, your full name, institution/company, city and country.
